Ernst & Young
Entrepreneur Of The Year®

CEO Retreat, Africa

**"Inspiring entrepreneurship:
navigating to the next level"**

2-4 March 2012

Vineyard Hotel and Spa, Cape Town

As a previous finalist or winner of the Ernst & Young Entrepreneur Of The Year program, you are cordially invited to join us at the third annual Ernst & Young Entrepreneur Of The Year® CEO Retreat. Formerly the EMEIA EOY Forum the Retreat will be held in Cape Town in South Africa, one of Africa's most inspiring, fast growth and entrepreneurial countries!

Attending will give you the opportunity to connect with other outstanding EOY finalists from all corners of the world. With access to an unparalleled global business network of entrepreneurs from all industries and sectors, be prepared to set your sails and explore new directions that could take you and your company to the next level.

You will also have the chance to gain new insights about business opportunities in Africa and be inspired by the exciting development this region offers entrepreneurs and innovators. This year's personal development theme will also look at your role as an entrepreneurial business leader.

For the first time, the EOY CEO Retreat will be held in Cape Town in conjunction with the **Strategic Growth Forum – Africa** taking place at The Westin Hotel, Cape Town. This event (also held annually in Palm Springs, America and in Mumbai, India) is targeted at fast-growing businesses and innovators from across Africa and international business leaders keen to explore African business opportunities. The SGF takes place from 1-2 March, followed by the CEO Retreat from 3-4 March. An invite will follow soon where you can sign up either for both events or just the one, giving you the option of four days to explore business and personal opportunities in Africa.

So hoist the main-sail and save the date for this key event in the entrepreneurship calendar.

See you in Cape Town!
